Flo

Water Deflector and Protective Faucet Cover with Bubble Bath Dispenser

Combining multiple functions into a single device, Flo provides a simple solution to several bath time challenges. This unique product diverts the flow of water, creating a gentle waterfall, while providing a protective faucet cover to help guard against injury. Flo also functions as a bubble bath dispenser.

Flo attaches easily to the bathtub faucet with a spring-activated grip that requires no assembly or special installation. When the water is turned on, it's diverted into a stream that extends up to 12 inches in front of the faucet, creating a gentle waterfall and making rinsing hair easy. The soft material on the front edge of Flo helps protect against injuries caused by bumping or scraping against the faucet. Parents can fill the bubble bath reservoir and let children dispense bubbles into the water by pressing the button on the front.

- Water deflector creates a gentle waterfall for easy rinsing
- Soft material helps protect against injury
- One-touch bubble bath dispenser
- Attaches easily and grips firmly to standard bathtub faucets
- Easy-fill bubble bath reservoir
- Shower diverter remains accessible

- Improves access to water flow
- Helps protect against injury
- Dispenses bubble bath
- Allows access to shower diverter

Flair

Pedestal Highchair with Pneumatic Lift

Flair is a revolutionary new highchair, combining innovative features with distinctive modern style. The seamless seat makes clean-up easy and the pneumatic lift allows for effortless height adjustment.

Flair's exclusive chemical-resistant, waterproof pad provides a soft cushion and is easily removable for cleaning. Flair is equipped with an adjustable-position, compact tray, as well as top-quality safety features including a five-point harness and restraining post. The sturdy pedestal base gives Flair a unique form that is easy to clean and that slides smoothly under tables. Flair glides in any direction on six urethane casters that will not scratch floors, while the hands-free braking system easily locks the chair in place. Flair's pneumatic lift allows for continuous height positioning, making it easy to adjust the seat to the perfect height.

- Seamless seat for easy clean-up
- Pneumatic lift for effortless height adjustment
- Foot pedal for single-step braking
- Removable foam seat pad does not absorb water and can be cleaned with household disinfectants
- Sturdy pedestal base slides easily under tables
- Top-quality safety features including a 5-point harness and restraining post
- Compact tray with two dishwasher-safe liners

- Easy to clean, no cracks or crevices
- Effortless height adjustment
- Continuous height positioning

Animal Bag

Stuffed Animal Storage

Does your child have too many stuffed animals? The Animal Bag is a fun and practical solution for rounding up all those soft critters and putting them to work.

The Animal Bag is an oversized, plush bag that's covered with large, zippered windows made out of transparent, durable mesh. Children can fill the bag with stuffed animals of all sizes, and then use the Animal Bag as a soft seat.

Made from high quality, breathable fabrics, the Animal Bag is machine washable, or it can be dry-cleaned.

In addition to solving the stuffed animal storage dilemma, the Animal Bag is earth-friendly because - unlike most beanbag chairs - it does not require any foam fillers.

The Animal Bag comes in three styles: Oval, Otto, & Trio.

- Large volume for storing and organizing stuffed animals
- Zippered, mesh "windows" allow children to see and access toys inside
- When full, the Animal Bag becomes a soft seat
- Large, easy-grip zipper pulls

- Stores and organizes stuffed animals
- Provides easy access to toys
- Doubles as a soft seat
